

REPLICA BENCH ORDER FORM

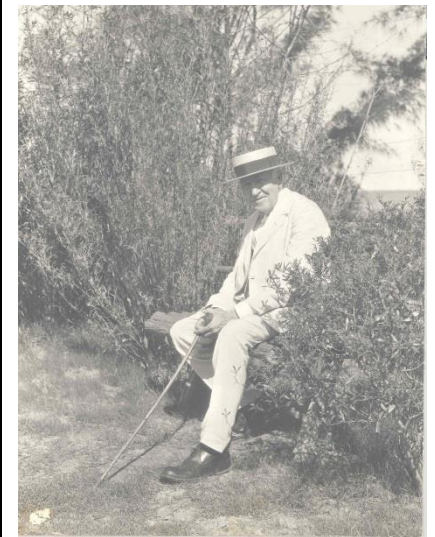

Thomas and Mina Edison were frequently photographed seated on iconic benches throughout the site. These lovely wooden benches were symbolic of their time together and love of the out-of-doors.

New Edison Ford benches are made of durable and sustainable materials more suited to the Florida climate.

Donate a bench in commemoration of a special event (all donations are tax-deductible) or purchase one to bring home and enjoy in your own garden—the way the Edison’s did.

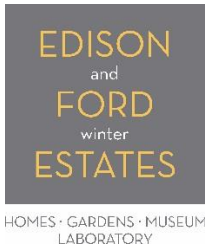

- Donation Amount: \$1,000

A plaque will be placed on the bench with your inscription. Preferred inscription (15 words or less):

The Edison and Ford Winter Estates, Inc. is designated as a non-profit educational charity by the IRS. It relies on earned income, grants and contributions for the continued conservation of the site and the education programs.

Benches may be moved at the discretion of EFWE staff.
