INVENTOR'S SUMMER CAMP

Ages 9 - 12 • June 8 - August 7, 2020

*Join us as science and history come alive in the "living
laboratory" of the Edison and Ford Winter Estates!*

JUNE 8 - 12, 2020 • GEAR UP!

Emerging engineers will explore activities related to six
simple machines. *Members: \$220 • non-members: \$250*

JUNE 15 - 19, 2020 • MAD CHEMISTRY

Acids and bases and reactions, oh my! Campers will
experiment and more. *Members: \$220 • non-members: \$250*

JUNE 22 - 26, 2020 • CREATIVE CODERS

Multiple platforms will be explored as campers take on daily
computer challenges! *Members: \$220 • non-members: \$250*

JUNE 29 - JULY 3, 2020 • ASSEMBLY REQUIRED

Campers will use the LEGO platform to tackle the
principles of robotics. *Members: \$220 • non-members: \$250*

JULY 6 - 10, 2020 • CALOOSA HATCHEE CONSERVATION

Ecology, conservation, and sustainability will be explored
in this hands-on camp. *Members: \$220 • non-members: \$250*

JULY 13 - 24, 2020 • FANTASTIC FILM-MAKERS

Future directors and actors will shine in this popular
two weekcamp! *Members: \$440 • non-members: \$495*

JULY 27 - 31, 2020 • 3-D ART AND DESIGN

Campers will combine form and function to create 3-D
structures and more! *Members: \$220 • non-members: \$250*

AUGUST 3 - 7, 2020 • LIFT OFF!

Campers will be challenged to learn the forces of flight as
their imaginations soar! *Members: \$220 • non-members: \$250*

2350 McGregor Boulevard • Fort Myers, FL 33901
