

What's Blooming—June 2022

Lily of the Nile
Agapanthus sp.

Pink Orchid Tree
Bauhinia monandra

Orange River Crinum
Crinum bulbispermum

Rain Lily
Zephyranthes sp.

Known as tropical dogwood, these plants in the genus *Mussaenda* are actually in the coffee family. They have colorful leaves (called bracts), and small, inconspicuous, star-shaped flowers.

Crape Myrtle
Lagerstroemia indica

Dipladenia
Dipladenia sp.

What's Blooming—June 2022

FRUITS TREES

Lots of tropical fruits are ripening at the Edison & Ford Winter Estates this month. Clockwise from bottom left: longan, avocado, key lime, canistel, jackfruit, lychee, and in the middle, the “king of fruits,” the mango!

Scented Orchid
Aerides odorata

Ixora
Ixora coccinea

Bleeding-Heart Vine
Clerodendrum thomsoniae

Asian Snow
Wrightia antidysenterica

What's Blooming—June 2022
